

MULTIDISCIPLINARY CAMHS

Clinical Psychologist

We're looking for a Clinical Psychologist to provide psychological assessment and evidence-based therapy for children and adolescents within our multidisciplinary CAMHS team.

Dubai Healthcare City • Child & Adolescent Mental Health Clinic

What You'll Do

- 01 Carry out psychological assessments and diagnostic work for children and young people
- 02 Deliver evidence-based therapy: individual, family, and group
- 03 Manage your own outpatient caseload and contribute to risk and safeguarding decisions
- 04 Work closely with psychiatrists, therapists, and nurses
- 05 Supervise and support junior psychologists and trainees
- 06 Keep accurate clinical records in line with DHA standards

What We're Looking For

- ✓ Doctorate or Master's in Clinical Psychology from an accredited institution
- ✓ Holding a valid DHA licence as a Clinical Psychologist
- ✓ 2–5+ years' post-qualification experience, ideally in CAMHS
- ✓ Confident delivering therapies such as CBT, DBT, or family-based approaches
- ✓ Strong risk assessment and safeguarding skills
- ✓ Culturally sensitive approach to care

Nice to Have

- Specialist training in child/adolescent therapies or neurodevelopmental assessment
- Arabic language skills
- Experience in research, training, or clinical workshops

Interested? Send your CV to zahra@anthalora.co.uk — we'd love to hear from you.
